ORDER:

With the objective of improving the Health, Nutrition and development indicators of children aged 0-6 years and Pregnant and Lactating Women, Government has decided to give a facelift to all the 55,607 Anganwadi Centres in the State of Andhra Pradesh. To ensure effective learning environment to children aged 3-6 years, the Government has introduced the Mana Anganwadi Nadu-Nedu Program, for upgradation of 28,169 own Anganwadi Buildings and construction of 27,438 new Anganwadi Buildings where Anganwadi Centres are at present located in Rented and Rent-free locations.

2. Of the 27,438 Anganwadi Centres located in Rented and Rent-free locations, construction for 3,928 Anganwadi Centres has been started under various schemes like MNREGA, APIP, RIDF-14,16,17,19 and other departmental schemes. The buildings started under these schemes since the year 2016 are lying incomplete for want of additional funding due to cost escalations in view of the change in Standard Schedule of Rates (SSR) year by year. The following guidelines and process flows are now hereby defined for completion of these work in progress buildings:

- The Executive agencies under whose control these 3,928 AWCs were earlier initiated/ grounded shall continue to be the same and are responsible to complete the balance work as per the guidelines framed in this order.
- The entire program shall be implemented through MGNREGS software for effective monitoring and transparency.
- The funds will be received by the Grama Panchayats based on the work done quantities through CFMS.
- The GP shall make payments to the concerned through whom work was executed.
- The 3,928 AWCs have been categorized into 3 types based on the funding pattern.

Type –A: ANGANWADI BUILDINGS SANCTIONED UNDER MNREGA I & II.

There are 3,070 AWCs which are grouped under this category. The funds for completion of these buildings will be tapped as under.

(i).Rs.29.17 Cr. @ Rs.95,000/ AWC for toilets from Swachh Andhra Corporation.
(ii) Rs. 5 lakh/ AWC from MNREGA.
(iii) Remaining amount of Rs 142.48 Cr. will be met from State Budget funding of Which Rs. 99.50 Cr. is for completion of civil works & Rs.42.98 Cr. is for equipment & Furniture.

The following procedure is prescribed for the works categorized under Category –A

i. The Work ID generated during the initial sanction of AWC under MGNRGES will continue to be the same and will be quoted for all financial & physical issues.
ii. The balance work Estimates of all these AWCs will be prepared in the MGNREGS software for the balance work.
iii. Main building with the same plinth area as contemplated in the original sanction with current SSR shall be considered for the estimation purpose.
iv. The technical sanction, admin sanction, work commencement, payment through CFMS shall be taken up through MGNREGS software
v. A Standard Toilet estimate will be provided in the MGNREGS software
vi. A separate Work ID will be assigned for Toilets to be constructed under Swachh Andhra Corporation for each AWC.
vii. The executive agencies will raise the bills separately for Toilets and Civil works under the MGNREGS software
viii. The MGNREGS software will submit the claims to the MGNREGSGOI portal for the balance amount available out of the Rs.5.00 Lakhs sanctioned initially under MGNREGA.
ix. The bills over and above the Rs.5.00 Lakhs will be met from State funds
x. The bills under toilets shall be raised under Swachh Bharath Mission through MGNREGA software and later pushed to Swachh Bharath Mission portal.
xi. The GOI share of Rs.1.00 lakh per AWC will be subsumed in the overall expenditure incurred for these 3,070 AWCs.

Type–B: ANGANWADI BUILDINGS SANCTIONED UNDER DISCONTINUED SCHEMES (APIP, RIDF: 14, 16, 18, 19 & Other Departmental Schemes).

There are 531 AWCs which are grouped under this category for which the expenditure of Rs. 5.04 Cr. @0.95 lakhs/AWC will be met from SBM and remaining amount of Rs. 32.74 Cr. i.e. Rs. 25.31 for civil works & Rs. 7.43 Cr for Equipment & Furniture (@ Rs. 1.4 lakh / AWC) will be met from State funds. The following procedure is prescribed for category-B works:

i. A new Work ID will be provided to all works under this category in the MNRGEGS software and a separate work ID will be provided for Toilets under SBM.
ii. The balance work Estimates of all these AWCs will be prepared in the MGNREGS software for the balance work.
iii. Standard Toilet estimate will be provided in the MGNREGS software.
